To All Utah Burglar Alarm Licensees:

A change to the General Rules of the Utah Division of Occupational and Professional Licensing (Title R156-1-308a) changed the expiration date of all Utah burglar alarm licenses from July 31 of each even-numbered year to November 30 of each even-numbered year (2006, 2008, etc).

Therefore, any active burglar alarm license, as of July 31, 2006, will be automatically extended an additional four months to November 30, 2006.

DOPL will not send out new license certificates reflecting the extended expiration date.

Instead, this letter serves as official documentation of the extension and must be kept with your blue license certificate. It is also recommended that a copy of this letter be given to your employer(s), if applicable. Additional copies of this letter are available at www.dopl.utah.gov. (Look under "DOPL News" in the bottom right corner.)

Renewal notices will be mailed to each licensee's address of record in September 2006. Questions regarding this renewal extension may be directed to DOPL at 801-530-6628 or 866-275-3675 (toll-free in Utah).

Sincerely,

J. Craig Jackson
